

Advanced Containerlogistics.
Solutions that work.
For your business.

Take the lane to Europe!

With our new block train from Vienna via Sopron to Budapest Bilk you are on the fast lane to all major ports in Europe.

IMS use Vienna as a main hub for years, so we have the required experience to run split trains.

From Vienna following ports are within reach:

- Hamburg
- Bremerhaven
- Rotterdam
- Antwerp
- Trieste
- Koper
- continental terminals in Germany and Austria, e.g. Duisburg , Herne, Enns and many more

As per 01.06.2015 we also offer a link to Greece (Sindos).

So make your choice and take the lane to Europe, IMS is your partner!
